CHRIST is our message.

MATT &
LAURIE CROUCH

“Christ is our message!” So proclaims Paul in his letter to the church at Colossae. We stand in agreement and proclaim to you, our faithful partners, the very same life-changing message.

Christ is our message! We preach to awaken hearts and bring every person into the full understanding of truth (Colossians 1:28, TPT).

So much has changed in the last 46 years, but our mission remains the same—to reach as many as possible with the Gospel of Jesus Christ.

T.D. Jakes, Joel Osteen, Joyce Meyer, Charles Stanley, Robert Morris. These ministry partners, and so many others, stand with us in agreement. Day in and day out, declaring the goodness and righteousness of God.

This month, we are celebrating the ministry partners you know and love. You built the foundation—the largest Christian broadcasting network in the world—and our ministry partners bring their powerful, Spirit-led teaching of the Word to our global networks.

In fact, our ministry partners are among the world’s most respected pastors, Bible teachers, and Christian leaders. Each with different gifts and different styles, while holding to a common core belief: Christ is our message!

IT ALL BEGINS WITH GRACE

The heart of the Gospel is firmly anchored on the foundation of grace. It is through the pure, unadulterated grace

of our Savior that we are saved into the Kingdom of God. You may recall hearing many times that the message of hope and grace is central to the mission of TBN.

From Charles Stanley’s teaching on “the riches of God’s grace” to Joseph Prince’s God-given mandate to preach about “God’s grace without attempting to balance or mix it with the law,” our ministry partners are all about grace. Testimonies pour in, telling of hearts and minds liberated, bodies and souls healed, and lives transformed through the miracle of God’s grace. Linda, a TBN viewer in Florida, wrote to tell us that “Joseph Prince helped me find the God that I was looking for.”

ACROSS THE NATIONS, AROUND THE WORLD, IN YOUR HOME

The ministry of Joel Osteen is intentional about reaching out, recognizing that “Half the people who watch us don’t go to church.” Millions experience his message every week because you make it possible. Further, he proclaims that “God made you a masterpiece—be blessed, secure, disciplined, and equipped.”

Similarly, Charles Stanley’s messages extend far beyond First Baptist Church in Atlanta, Georgia. He is led by the Spirit to understand that “We

Bishop T.D. Jakes has been called “America’s Best Preacher” by *Time* magazine. He explains the focus of his ministry, “God has invested too much in you for you to be comfortable in anything less than you were created to be.”

EVERY PERSON DESERVES TO HEAR THE GOSPEL

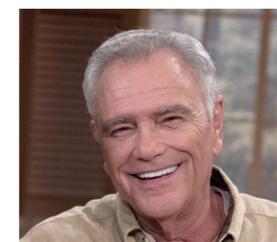

Joyce Meyer is likely the most widely viewed of all women in ministry. Through her personal experiences of triumph over tragedy, she reaches countless souls around the world. Betty in Georgia, another TBN viewer, wrote to tell us about the impact of Joyce Meyer’s ministry, telling us, “On one of my worst days, I heard Joyce Meyer say on TBN, ‘God will give you beauty for your ashes,’” and how that inspired her to embrace the grace offered through Jesus Christ.

Pastor Samuel Rodriguez attracts a broad and diverse audience. Not only is he a known leader of the Latino Evangelical movement, he has been recognized by *Time* magazine, *Charisma*, and others as one of the most influential people in the world. He was even invited to deliver the

lessons of stewardship for every aspect of life. God is acknowledged as being the true owner of everything—our families, our finances, even our time. Pastor Morris shares, “Being ‘blessed’ means having supernatural power working for you.” We are so excited about this new book that we are offering it to you, our faithful partners, as our “thank you” this month with your gift of support.

You are a “media missionary,” spreading these teachings far and near. There are too many amazing ministry partners on TBN to mention here. Please know there is at least one for everyone, regardless of faith background, age, ethnicity, or relationship with the Savior.

We are reminded of the power unleashed after Pentecost, when the Believers with Peter and John boldly prayed ...

“Empower us, as your servants, to speak the word of God freely and courageously” (Acts 4:29, TPT).

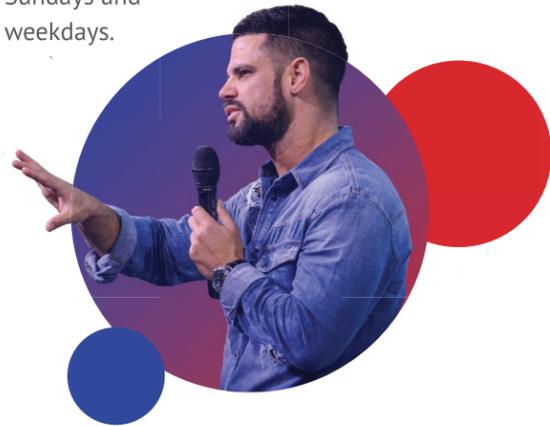

You empower our ministry partners to “speak the Word of God freely and courageously”!
